Direct Dial: 01595 744994

Our Ref: TA48

Date: 6 September 2023

Dear Sir/Madam

You are invited to the following meeting:

Annual General Meeting of Shetland Charitable Trust
22-24 North Road, Lerwick, ZE1 0NQ (and remotely via Zoom)
Thursday 14 September 2023 at 11.45am

Apologies for absence should be notified to Edna Flaws on 01595 744994.

Yours faithfully

(signed) Dr Ann Black
Chief Executive

AGENDA

1. Welcome and introduction.
2. Apologies.
3. Confirm minutes of meeting held on 6 October 2022.
4. Trustees Report and Financial Statements to 31 March 2023.
5. AGM 2024: Date to be confirmed.

MINUTES

Shetland Charitable Trust Annual General Meeting (AGM)
Boardroom, 22-24 North Road, Lerwick, and remotely via Zoom
Thursday 6 October 2022 at 11.45am

Present:

E Adamson	A Cooper
A Ferguson	S Gray
R Leith	E Miller
I Napier	R Stevenson

Present via Remote Link:

Y Hopkins	M Roberts
R Leask	

Apologies:

K Harrison

In Attendance (Officers):

A Black, Chief Executive – SCT
E Flaws, Administration Manager - SCT
L Geddes, Committee Officer – SIC

Also:

G Gilfillan, Finance Manager – SCT (to take up post on 1 Nov 2022)
J Robertson, Media Adviser

Chair:

Dr Cooper, Chair of the Trust, presided.

Welcome and Introductions

The Chair extended a welcome to those attending the meeting.

Confirm Minutes of Meeting held on 16 September 2021

The minutes of the above meeting were confirmed on the motion of Ms Roberts, seconded by Mr Leith.

Trustees Report and Financial Statements to 31 March 2022

The Chief Executive advised that because today's meeting had been rescheduled from 15 September, the accounts would be signed off with today's date. She went on to say that she was pleased to report that the Trust had received another clean audit and that the process had gone smoothly. With regard to the accounts, the Trust's reserves as at 31 March 2022 were £449.5million - a small drop of £7million from 2021. This decrease was mainly due to a lack of growth of the

Trust's externally managed investments over the year. However it was important to note that when taken in conjunction with the extraordinary gains the previous year, the Trust's reserves had grown by £140million in the two year period. Given the current inflationary pressures in the United Kingdom and the ongoing conflict in Ukraine, it was likely that markets would continue to be volatile. Income for the year had been £3.6million, which was £0.7million lower than 2021, and expenditure was within budget at £11.3million. The level of disbursements had increased to £8.9million, due to an increase in the Main Grant Scheme and two COVID-19 contingency awards being made.

Trustees approved the annual report and financial statements for the year to 31 March 2021 on the motion of Ms Miller, seconded by Ms Gray.

AGM 2023: Date to be confirmed

Trustees noted that the date of the next Annual General Meeting was still to be confirmed.

The Trust AGM concluded at 11.50am.

Chair's Introduction

The last year has seen much change with a renewing and regeneration of the Trust with six trustees completing their term of office. I would like to express the thanks of all trustees for ensuring the ongoing health of the Trust to Andrew Cooper, Ian Napier, Ken Harrison and Jolene Garriock. Their contribution and insights have supported the trust through the last four years and the Covid-19 pandemic. I would also wish to express my thanks to the outgoing chair Andrew Cooper for leaving the trust in the good position we find it today.

There has been seven new high calibre trustees appointed to the trust Ewen Adamson, Aaron Ferguson, Susan Gray, Ryan Stevenson, Beth Mouat, Neil Risk and Jim Nicolson. Ryan Stevenson has been appointed Vice Chair and has also taken on the role of GPAC chair with Ryan Leith continuing as the chair of Audit and Governance and myself continuing as chair of the Investment Committee.

We have now emerged from the various constraints of the COVID -19 pandemic with the long term effects on the organisations we fund becoming clearer. The COVID contingency funding was put in place by the trust to support those organisations dependent on trading income to help minimise the pandemic impacts. These have not been as severe as feared with only £0.85M of the total support of £1.3M being required.

The Capital Works Bridging Loan scheme continues to be a success with trustees approving an increase in value to £1.5 million from £1 million recognising the level and value of the project pipeline coming to Shetland. In many ways this scheme is an unsung success as it has supported external funds secured into Shetland for good projects.

The Main Grant Scheme has disbursed £8.6 million to more organisations (28 awardees) than formerly, with a number of these grants being multi year.

The small grants scheme continues to be open for new applications with total disbursements of £51K having been made.

The health of our investments has dropped from their peak during the pandemic but remain at the upper end of the current strategy projections. Importantly this ensures that the trust can continue to commit to the level of disbursements in the strategy. Inflation is still a concern together with the current relatively flat performance of global markets.

The Capital Grant Scheme to support the large funded bodies with essential repair and maintenance work, with a budget of £12 million, is still in place with progress on uptake being slower than predicted. A total of £1.7M has been utilised to date.

The staff complement has changed with Glenn Gilfillan and Sonja Flaws joining as Finance Manager and administrative support assistant.

Trust staff continue to perform an excellent job supporting the work of the Trust and trustees in a highly professional and effective manner whilst also providing support to the many funded organisations both current and future. Trust business and meetings have embraced the hybrid style with the technology continually improving to enable trustees and staff to come together no matter the geography. A truly effective team.

R M Leask
Chair

Section 2: Structure, Governance and Management

Governing Document

The current Shetland Charitable Trust (the Trust) was established by a Deed of Trust registered in the Books of Council and Session on 27 September 2012 and updated in 2017, and again in 2019.

The Trust Deed and its schedules:

- appoint Trustees;
- state the charitable purposes of the Trust; and
- set out the powers of the Trustees.

Charitable Status

The Trust appears in the Scottish Charity Register, number SC027025, maintained by the Office of the Scottish Charity Regulator (OSCR). In addition, any tax relief received by the Trust is overseen by HM Revenue and Customs (HMRC). The Trust has to demonstrate to these regulators, that its activities remain charitable and generate public benefit.

Board of Trustees

The Trust has up to twelve appointed Trustees.

Trustee vacancies are advertised and individuals are recruited through an open and transparent process. A Selection Panel, whose work is overseen by the Audit and Governance Advisory Committee, undertakes this process. The Panel's recommendations are then presented to the full Board of Trustees (the Board) for approval.

New Trustees receive a comprehensive induction, and thereafter training is provided as appropriate. From time to time, Trustees receive reports on their roles and responsibilities, in line with guidance from OSCR.

The Board meets at least four times each year to set and oversee the delivery of the Trust's strategy. A list of the Trustees are detailed on page 2 of this report.

A number of advisory committees support the work of the Trust throughout the year. They oversee the work of the Trust and make recommendations to the Board.

Trustees' Report *(continued)*

Section 2: Structure, Governance and Management *(continued)*

Audit and Governance Advisory Committee

The Audit and Governance Advisory Committee oversees the systems of internal controls on financial and governance matters, recruitment of Trustees and risk management. It also reviews the draft annual financial statements and considers reports from the Trust's external auditors.

General Purposes Advisory Committee

The General Purposes Advisory Committee oversees the Trust's Strategic and Disbursement Plans. It monitors the service performance of organisations that the Trust provides grant assistance to. It also considers the Trust's public relations and media activities.

Investment Advisory Committee

The Investment Advisory Committee oversees the Trust's Investment Plan and its implementation. It also monitors the performance of external and local investments.

Management and Administration

The Trust is managed and administered by a team of four directly employed staff. The Chief Executive's role is to ensure that the charitable activities carried out by the Trust are in furtherance of its purposes, represent value for money and complement the needs and aspirations of the community. This must all be in accordance with the Trust Deed and the law.

The Chief Executive is also responsible for the effective management of the Trust's investments. This includes ensuring that charitable status is retained and putting in place effective investment policies. Some specialist services are purchased from other providers, under various service level agreements.

The Trust's procedures are governed by a set of Administrative Regulations. This public document is available through the Trust's website, www.shetlandcharitabletrust.co.uk.

Minutes

The public minutes of all meetings of the Board, together with the relevant reports, are available electronically through the Trust's website.

Subsidiary Companies

The Trust has three wholly owned subsidiary companies. The following are the directors of the companies:

Shetland Heat Energy and Power Limited (SHEAP) SC181964	Wendy Grant Neil Fraser Derek Leask William Spence Colin Clark
--	--

C.T. Shetland (T.M.) Limited is a dormant company whose present purpose is to register and own certification trademarks, for example knitwear trademarks.

C. T. Shetland (T.M.) Limited SC072648	J M A Garriock (resigned 13 June 2022) M I Roberts (appointed 14 June 2022)
---	--

SCT Renewables Limited has a 90% interest in Viking Energy Shetland LLP 'the Shetland Partner' in the Viking Energy Partnership.

SCT Renewables Limited SC256581	I R Napier (resigned 31 May 2023) R J Stevenson (appointed 1 June 2023)
--	--

Trustees' Report *(continued)*

Section 2: Structure, Governance and Management *(continued)*

Risk Management

The Board is responsible for the risks faced by the Trust.

The Trust has a risk management process designed to identify the major risks that could impact on the aims of the Trust's Strategic Plan. This process identifies the major risks the Trust faces, the likelihood of occurrence, the significance of the risk, and any mitigating controls that are in place. It also seeks to identify any actions and resources required to manage these risks further.

The Audit & Governance Advisory Committee has overall responsibility for the management of the risk assessment process. Each of the Advisory Committees ensures the risks associated with their terms of reference are reviewed regularly to identify the steps required to mitigate these risks. All recommendations from the Advisory Committees are reported annually to the Board for consideration and approval.

Trustees approved the risk assessment for 2022/23 on 9 February 2023. The five strategic key risks are:

No.	Risk	Current Risk Level	Lead Committee
1	Governance	Amber	Audit & Governance Advisory Committee
2	Reputational	Amber	General Purposes Advisory Committee
3	Investment	Amber	Investment Advisory Committee
4	Disbursement	Green	General Purposes Advisory Committee
5	Strategic Direction	Amber	General Purposes Advisory Committee

Disclosure of information to auditor

The Trustees who held office at the date of approval of this Trustees' report confirm that, so far as they are each aware, there is no relevant audit information of which the Trust's auditor is unaware; and each Trustee has taken all steps that he/she ought to have taken as a Trustee to make himself/herself aware of any relevant audit information and to establish that the Trust's auditor is aware of that information.

Section 3: Objectives and Activities

The purpose of the Trust is to use its available funds to benefit and improve the quality of life of all people living in Shetland, and to preserve the Trust reserves for future generations.

In 2019, the Trust launched its Strategy 2020-25. The Strategy set out the Trust's aims and objectives for the next five years.

Ambition

Over the period 2020-2025, the Trust will seek to use its funding:

- To improve the quality of life for all the people of Shetland;
- To achieve a positive impact against the Trust Strategic Objectives through its disbursement decisions;
- To promote inclusion and reduce inequalities in Shetland;
- To demonstrate the impact and outcomes of Trust funding.

The Trust will continue to improve the quality of life for the people of Shetland. The Trust will target its funding where impact, positive change and outcomes, can be demonstrated and shown to be delivered.

Trustees' Report (*continued*)

Section 3: Objectives and Activities (*continued*)

Objectives

The strategic objectives of the Trust 2020-2025 are:

- To enhance provision of services and activities, aligned to the Trust's ambition, and beyond the obligation of statutory services;
- To support the services and activities provided by the three large Trusts in Shetland;
- To support voluntary sector services in Shetland;
- To support, if appropriate, the core revenue costs of organisations where there is difficulty in sourcing alternative external funding to maintain or enhance the services provided.

The ambition to promote inclusion and reduce inequalities in Shetland will be a central theme for the Trust over 2020-2025, across all its funding commitments.

Operational Plans

The Strategy has informed the development of the operational plans for 2020-25. These are the Financial Plan, the Disbursement Plan and the Investment Plan covering the period 2020-25. Details of these plans are available on the Trust website.

Financial Objectives

Trustees have agreed to continue with the long-term financial strategy of preserving the value of reserves against inflation, and therefore limits annual expenditure to the average growth on the investments above inflation.

In 2019, Trustees approved a new Financial Plan to run from 1 April 2020 to 31 March 2025. The Financial Plan uses the average investment growth above inflation on the Trust's reserves to support annual expenditure. This enables the reserves preserved against inflation to be passed to future generations, aligned to the purpose of the Trust. Annual expenditure is dependent on the assumed rate of return on the Trust investments for the Strategy period, whilst also ensuring that the Trust fund is protected against adverse investment returns over the period.

For the Strategy period 2020-2025 a rate of return on the Trust investments above inflation of 3.5% per annum is assumed. A maximum budget of £17.9 million has been set for the year to 31 March 2024 in line with the Financial Plan.

Budgets and Disbursements

Each year the Board adopt a budget for the incoming financial year. Details of the budget approved by Trustees are given in column one of the tables on pages 8 and 9, with details of the actual spend in column two, and a comparison with the previous year in column three.

In 2019, Trustees approved a new Disbursement Plan to run from 1 April 2020 to 31 March 2025. Over the Trust's Strategy period 2020-2025, it is the intention of the Board that the funds are able to support applications, which align to the purpose and strategic objectives of the Trust. The Trust will operate a Main Grant Scheme for larger organisations and a Small Grant Scheme for smaller organisations and individuals. The Trust also introduced a time limited Capital Grant Scheme which will operate from 2022 to 2025. This Scheme has a maximum budget allocation of £12.0 million over the three years.

Section 4: Achievements and Performance

During the year to 31 March 2023, the Trust provided grant assistance to the following organisations towards the cost of providing a range of social, leisure, cultural, heritage and environmental activities:

- **Shetland Recreational Trust** - The grant assists with the cost of providing leisure and sports facilities at locations throughout Shetland.
- **Shetland Amenity Trust** - The grant provides core and project funding to support Shetland's Heritage and Culture.

Trustees' Report *(continued)*

Section 4: Achievements and Performance *(continued)*

- **Shetland Arts Development Agency** - The grant goes towards meeting some of the core and project costs of promoting, developing and delivering activities in the fields of dance, drama, theatre, film, literature, music, crafts and visual arts.
- **Rural Care Model** - The funding is used to add value to the community care provided in Shetland, to a level of service over and above that which would normally be provided by a local authority.
- **Ability Shetland** - The grant provides project funding to support a new post of Disability Sports Development Coordinator, with the aim of growing participation in physical activity and sport for people with disabilities.
- **Shetland Befriending Scheme CYP** - The scheme provides young people with an opportunity to form a trusting relationship with an adult, to promote the young person's welfare and personal development.
- **Shetland Islands Citizens Advice Bureau** - The grant provides core funding towards delivering a general information and advice service and the provision of a new service targeting those hardest to reach.
- **COPE Ltd** - The grant contributes to the core costs of the organisation to allow the organisation to provide focused placements, training, support and employment opportunities to adults with learning and/or physical disabilities.
- **Shetland Link Up** - The grant funds the core costs of the organisation enabling it to provide an informal meeting place to support people who are affected by mental health problems.
- **Voluntary Action Shetland** - The grant contributes to the core costs of providing a central point for advice and information to the voluntary sector in Shetland and the operation and maintenance of Market House.
- **Royal Voluntary Service** - The grant funds much of the core costs of providing a range of community projects for elderly and disabled people in Shetland.
- **The Swan Trust** - The grant provides core funding to support the costs associated with maintaining, operating and promoting the Swan sailing vessel.
- **Gaada** - The grant provides core funding to support their wide range of activities in community art with an emphasis on art for individuals with disabilities.
- **Shetland Women's Aid** - The grant provides core funding towards services to advance and continue to work towards ending domestic abuse and other Gender Based Violence in our community.
- **Shetland Rape Crisis** - The grant provides core funding towards services to relieve the distress and promote the welfare of anyone affected by any form of sexual violence or exploitation.
- **OPEN Project** – The grant provides core funding to support their services. They deliver four main activities - Peer Education, Peer Mentoring, Emotional Wellbeing and Resilience Project and OPEN Up (a drop in youth café). Working with young people aged 16 to 25 who are among the most vulnerable and hard to reach.
- **British Red Cross** - The grant provides core funding towards a Shetland Community Support Service.
- **Clan Cancer Support** – The grant provides core funding towards a dedicated Children and Families Service in Shetland.
- **Shetland Care Attendant Scheme** - The grant provides core funding towards services to relieve the stress on the person or family caring for physically or mentally disabled or elderly persons.
- **Voluntary Action Shetland Carers Service** - The grant provides core funding towards services to relieve the stress on the person or family caring for physically or mentally disabled or elderly persons.
- **Shetland Community Connections** – The grant provides funding towards additional capacity for their work in self-directed support for those transitioning from childhood to adulthood.
- **Shetland Befriending Scheme 16+** - The grant contributes to the core costs of providing a Befriending Service for those aged 16 and over.
- **Mind Your Head** - The grant provides core funding towards services to relieve those in need by reason of mental ill-health.
- **Dogs Against Drugs** - The grant provides core funding to support their Drugs Education Programme delivered in schools to raise awareness of drugs misuse.

Trustees' Report *(continued)*

Section 4: Achievements and Performance *(continued)*

- **Sandwich Social & Economic Development SCIO** – The grant provides funding to support delivering one hot meal per week for local community to those who are vulnerable and those who would benefit from service due to physical or mental frailties.
- **Who Cares? Scotland** - The grant provides funding to support children, young people and young adults who have experienced the care system.
- **Relationships Scotland** – The grant provides funding towards a Family Connections Project. This project will establish a child contact service to support children to maintain relationships with the parent they no longer live with, or with other extended family members with whom they no longer have contact.
- **NSPCC Scotland** - The grant provides funding towards an educational schools programme "Speak out Stay safe", teaching primary school children about abuse and neglect, and who they can get support from when something is wrong, including Childline.

The Trust allows organisations that it funds to hold up to 3 months grant, as reserves, for unforeseen items and to help with cash flow. The Trust has worked with the organisations funded to develop a system of service performance reporting. Trustees considered a progress report on service performance in October 2022, which set out, in detail, how the Trust's money makes a difference to people and communities. Overall, Trustees were content that most organisations were performing satisfactorily against their stated targets.

The Trust also operates a Capital Works Bridging Loan Scheme, which provides short-term bridging finance to community organisations undertaking capital projects. The scheme was established in 2010 to provide interest free loans to organisations that had secured funding from the EU, National Government sources or large charitable funders, but were only able to claim their grants on completion of the capital works. The scheme helps avoid any potential cash flow problems and allows community projects to go ahead.

Trustees' Report *(continued)*

Section 5: Financial Review

Financial Policies

The policy of the Board is to invest the reserves of the Trust to generate income to support charitable expenditure and to maintain the real value of the reserves in the long term. The current value (as at 31 March 2023) of the Trust's reserves that are invested to generate income (i.e. not the 'Donated Properties') is around £377 million (2022 - £435 million).

The Trust relies chiefly on funds generated by investments on the world's markets. Overall, there was a diminution in value of investments with zero returns generated during the fiscal year. In 2022/23, around £0.5 million income was derived from investments in Shetland.

The Trust Deed does not require the Trust to distinguish between revenue and capital (income or expenditure), and all of the Trust's funds are unrestricted. These two things together mean that although the general funds and pension reserve are shown as being in deficit in the financial statements, there are no practical consequences flowing from this.

The Trust seek to minimise risk through diversification within its investments and take advice, as appropriate, in determining the mix of asset types. Trustees are free to determine how to apply their Unrestricted Reserves in a manner consistent with the Trust objectives and in line with its Financial Plan.

Review of Spending

During 2022/23 the Trust spent £13.1 million (2022- £11.3 million) on grant making, support costs and expenditure on raising funds, in line with the approved budget for the year. Grant making expenditure for the year was £11.0 million (2022 - £8.9 million). The agreed budget to support grant applications for 2023/24 is £17.9 million.

Investment Review

The Trust's capital is invested by the Board externally with four fund managers and locally in three subsidiary companies. The Trust also receives rental income from the land at the Sullom Voe terminal.

Externally Managed Investments

The market value of the Trust's external investments is £377.2 million (2022 – £434.6 million). A breakdown of the Trust's external investments is detailed below:

Manager	Mandate	Market Value 2023 (£m)	Market Value 2022 (£m)
Baillie Gifford	Active Equities	163.1	212.8
BlackRock	Passive Equities	94.0	97.6
Schroders	UK Property	74.7	75.9
Insight	Diversified Growth	45.4	48.3
Total		377.2	434.6

The growth in value of the investments as well as dividend income received, generated a loss of £45.3 million over the year (2022 - nil). This equates to a return of -10.5% (2022 – 0%).

Trustees' Report *(continued)*

Section 5: Financial Review *(continued)*

Over the twelve-month period to March 2023, equity markets have fluctuated greatly. The first half of the fiscal year saw significant diminution in value of investments, particularly in active equities. In contrast the second half of fiscal year has seen gradual improvement, and in the first quarter of 2023 posted double digit relative returns for active equities after an improved start to the year. Growth stocks have continued to be hard hit by inflationary pressures, interest rate rises, downturn in consumer spending, political tensions and wider market sentiment.

Property markets saw significant falls in capital values throughout 2022, however the first quarter of 2023 saw a degree of stabilisation.

The Trust's Financial Plan 2020-25 assumes a medium term return of 6.5% per annum. This is the return the Trust seeks over the medium term to meet its planned expenditure and to preserve the value of reserves in real terms.

The Trust also agrees a benchmark return for each fund manager to assess their performance against. Detailed below is the overall returns achieved against benchmark:

Annualised Performance over	Actual Return %	Benchmark Return %	Over/ (Under) Performance %
1 Year	(10.5)	(1.1)	(9.4)
3 Years	10.3	12.2	(1.9)
5 Years	9.3	7.2	2.1

The return over the last 12 months is below the benchmark and Financial Plan Return. However, the Trust's external investments have exceeded the benchmark return and have met the Financial Plan assumed return over longer periods.

Local Investments

Shetland Heat Energy and Power Limited (SHEAP) is a wholly owned subsidiary of the Trust, set up to operate the Lerwick District Heating Scheme. SHEAP has over 1,200 customers receiving heat and the company generated income of around £2.6 million in 2022/23. SHEAP recorded a small profit in 2022/23, and a gift aid payment may be made to the Trust during 2023/24.

SCT Renewables Limited is a 100% owned subsidiary of the Trust. Viking Energy Shetland LLP is a 90% owned subsidiary of SCT Renewables Limited and the Trust has invested £10.0 million as at 31 March 2023. It is a partner in the Viking Energy project, which is a wind farm project in central Shetland.

C.T. Shetland (T.M.) Limited does not trade. The purpose of the company is to register and own certification trademarks, for example, the knitwear trademark known as *The Shetland Lady*.

Decisions about Investments

When the Board make decisions about investing the Trust's capital, the law requires them to seek appropriate advice and act as reasonably prudently as commercial investors would. An investor is concerned with various criteria when investing money; these include rate of return (dividends / income / rent / interest earned), capital growth, and the level of risk. This applies whether the investments are on a Stock Exchange, or when they involve local assets. Investment, wherever it is made, involves using Trust funds wisely to produce income and to increase the value of those funds. To do this properly the Trust has to act commercially. It cannot "act charitably" towards its investments.

The Trust's Investment Plan 2020–25 was agreed in 2019 and is based on 75% in shares, 15% in property and 10% in a diversified portfolio of assets. The Plan was originally approved in 2016 and reviewed in 2018/19 and 2021/22. The Plan seeks to maintain diversification whilst increasing average returns in the long term.

Trustees' Report *(continued)*

Section 6: Plans For The Future

The Trust is currently implementing its strategy for 2020 to 2025. The Strategy 2020-2025, sets out the Trust's ambition, objectives and priorities for the period. The Strategy and the associated Financial, Disbursement and Investment Plans for the period were approved in September 2019.

In July 2020, the Trust has opened up its Main Grant Scheme to new applications for a maximum of four years funding. In addition, in December 2020 the Trust opened up a new Small Grant Scheme for smaller organisations. Both Schemes will continue be open for applications for funding for the remainder of the strategy period.

During 2022/23, the Trust opened a Capital Grant Scheme with the aim of maintaining Shetland's community assets operated by the three large Trusts and Voluntary Action Shetland. The Trust has committed up to £12.0 million over three years to the Scheme.

The Trust has begun the process of reviewing its current strategy, and developing a new strategy for a five-year period 2025 to 2030. Strategy consultants were appointed in April 2023, and the timeline that has been developed will see new strategy document presented to Trustees in February 2024 for approval.

Statement of trustees' responsibilities in respect of the trustees' annual report and the financial statements

Under charity law, the trustees are responsible for preparing a Trustees' Annual Report and financial statements for each financial year which show a true and fair view of the state of affairs of the group and the charity and of the group's and the charity's excess of income over expenditure for that period. The trustees have elected to prepare the financial statements in accordance with UK Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the recommendations of the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether the financial statements comply with the trust deed, subject to any material departures disclosed and explained in the financial statements;
- assess the group and the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the group or the charity or to cease operations, or have no realistic alternative but to do so.

The trustees are required to act in accordance with the trust deed and the rules of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and to enable the trustees to ensure that, where any statements of accounts are prepared by them under the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006 (as amended), those statements of accounts comply with the requirements of regulations under that Act. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the financial and other information included on the charity's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF SHETLAND CHARITABLE TRUST

Opinion

We have audited the financial statements of Shetland Charitable Trust (the 'charity') and its subsidiaries (the 'group') for the year ended 31 March 2023 which comprise the Consolidated Statement of Financial Activities, the Trust Statement of Financial Activities, the Consolidated Balance Sheet, the Trust Balance Sheet, the Consolidated Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the charity's affairs as at 31 March 2023 and of the group's and the charity's incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with regulations made under that Act.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have

performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' annual report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities set out on page 13 the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the group audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory framework, that the group and charity operates in and how the group and charity is complying with the legal and regulatory framework;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, Charities SORP (FRS 102), Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and the charity's governing documents. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing the financial statements including the Trustees' Report, remaining alert to new or unusual transactions which may not be in accordance with the governing documents.

The most significant laws and regulations that have an indirect impact on the financial statements are those in relation to health and safety and employment legislation. We performed audit procedures to inquire of management whether the group is in compliance with these law and regulations and inspected minutes and the risk register for monitoring of controls in place. We corroborated a sample of the payroll transactions and evaluated the compliance with associated employment and tax legislation.

The group audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business and challenging judgments and estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Trust's financial statements.

1.1 Basis of preparation

The financial statements have been prepared under the historical cost accounting rules, as modified by the revaluation of investments and in accordance with the provisions of the Trust Deed, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the Statement of Recommended Practice Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (as amended for accounting periods on or after 1 January 2019).

The financial statements are prepared in sterling, which is the functional currency of the group and charity. Monetary amounts in these financial statements are rounded to the nearest £1,000. Shetland Charitable Trust meets the definition of a public entity under FRS 102. The financial statements have been prepared in compliance with FRS 102. Assets and liabilities are initially recognised at historic cost or transaction value unless otherwise stated in the relevant accounting policy note.

Shetland Charitable Trust has three 100% owned subsidiary companies which are trading. The Trust and its subsidiaries are considered qualifying entities under FRS 102 paragraphs 1.8 to 1.12. The following exemptions are available:

- No separate Trust Cash Flow Statement with related notes is included;
- Key Management Personnel compensation has not been included a second time;
- The disclosures required by FRS 102.11 Basic Financial Instruments.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Judgements made by the trustees, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in Note 18. The charity's business activities, together with the factors likely to affect its future development, performance and position are set out in the Trustee's Report on pages 2 to 12. The financial position of the charity, its cash flows, liquidity position and borrowing facilities are described in the financial statements on pages 17 to 21. In addition, pages 5 and 6 of the trustees report include the charity's objectives, policies and processes for managing its capital; its financial risk management objectives; details of its financial instruments; and its exposures to credit risk and liquidity risk.

The charity has considerable financial resources together with long-term investments with a number of fund managers across different geographic areas and industries. As a consequence, the Trustees believe that the charity is well placed to manage its business risks successfully despite the current uncertain economic outlook.

The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

1.2 Basis of consolidation

These financial statements consolidate the assets and liabilities of the charity and its subsidiaries, Shetland Heat Energy and Power Limited, SCT Renewables Limited (formerly known as Viking Energy Limited) and Viking Energy Shetland LLP, on a line by line basis. The income and expenditure of these subsidiaries are also consolidated on a line by line basis, where appropriate.

In accordance with FRS 102, gift aid payments are accounted for in the subsidiary undertakings in the year in which an irrevocable commitment to make a payment has been made.

Notes (continued)

1 Accounting policies (continued)

1.2 Basis of consolidation (continued)

All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Any non-controlling interest in subsidiaries is recognised at the non-controlling interest's share of the net assets at acquisition date adjusted for their share of losses to date.

1.3 Fund accounting

All funds of the Trust are unrestricted, to be used in accordance with the charitable objectives of the Trust at the discretion of the trustees. The expendable endowment represents the long-term investment funds of the Trust. The unrestricted income funds include the Trust's general funds, which represent the annual operating funds of the Trust, and the trading funds.

The trading funds represent the accumulated results of Shetland Heat Energy and Power Limited, SCT Renewables Limited and Viking Energy Shetland LLP, adjusted to remove gift aid payments to the Trust by those companies.

1.4 Income and endowments from other trading activities and rental income

Turnover in Shetland Heat Energy and Power Limited represents the amounts (excluding value added tax) derived from the supply of hot water for heating systems and arises entirely in the United Kingdom.

Turnover in SCT Renewables Limited represents miscellaneous income only as the company is not yet trading fully. Turnover in Viking Energy Shetland LLP represents miscellaneous income only as the company is not yet trading fully.

Investments

Dividends are included within incoming resources when they are receivable. Loan interest is included in the statement of financial activities on an accruals basis.

1.5 Expenditure

Charitable expenditure is recognised when it is payable. The Trust has given commitments to certain charitable bodies to provide ongoing revenue funding and to finance various capital projects. In view of the long-term nature of these commitments which are subject to review, combined with the uncertainty as to the amounts involved, these commitments are accounted for only when irreversible decisions on funding are communicated to the charitable bodies.

Support costs are directly attributable to the Trust's charitable activities and are recorded within the "charitable activities" section of resources expended in the statement of financial activities.

Cost of generating funds

The cost of generating funds represents fund managers' fees.

Governance costs

Governance costs comprise the costs associated with the Trust's compliance with charity regulation and good practice and include related professional fees.

1.6 Basic financial instruments

Trade and other debtors/creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

Notes (continued)

1 Accounting policies (continued)

1.6 Basic financial instruments (continued)

Investments in preference and ordinary shares

Investments in equity instruments are measured initially at fair value, which is normally the transaction price. Transaction costs are excluded if the investments are subsequently measured at fair value through profit and loss. Subsequent to initial recognition investments that can be measured reliably are measured at fair value with changes recognised in profit or loss. Other investments are measured at cost less impairment in profit or loss.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the Trust's cash management are included as a component of cash and cash equivalents for the purpose only of the cash flow statement.

1.7 Grants

Capital based grants received by the Trust's subsidiary undertakings are included within accruals and deferred income on the balance sheet and credited to activities for generating funds over the estimated useful economic lives of the assets to which they relate.

1.8 Investments

Managed fund investments are stated at market value. Realised and unrealised gains and losses arising on these investments are taken to the expendable endowment and are included within other recognised gains and losses in the statement of financial activities. Where investments are transferred between investment managers, an amount equal to the unrealised gains or losses on the investments as at the time of transfer is taken to the expendable endowment.

Investments in subsidiary undertakings are stated at cost less provisions. Any provisions made against these investments are charged to the expendable endowment.

1.9 Tangible fixed assets and depreciation

All expenditure incurred on tangible fixed assets is capitalised irrespective of its value (i.e. there is no minimum level above which assets purchased are capitalised). Tangible fixed assets are capitalised at cost.

Depreciation is charged to the expendable endowment to write off the cost or valuation less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Buildings	-	7 to 10 years
Fixtures and fittings	-	3 to 5 years
Plant and machinery	-	10 years
District Heating Infrastructure	-	30 years

The asset value of the Sullom Voe site is now fully depreciated.

Where the recoverable amount of a tangible fixed asset is found to be below its net book value, the asset is written down to its recoverable amount and the loss on impairment is charged to the relevant resources expended category in the statement of financial activities.

1.10 Investment properties

The Trust hold no investment properties.

Notes *(continued)*

1 Accounting policies *(continued)*

1.11 Taxation

The Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2011 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 Corporation Tax Act 2011 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes. There is no similar exemption for VAT.

Tax on the profit or loss of subsidiaries for the year comprises current and deferred tax. Tax is recognised in the statement of financial activities except to the extent that it relates to items recognised directly in equity or other recognised gains and losses, in which case it is recognised directly in equity or other recognised gains and losses.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. In the latter case the tax rate that is expected to apply to the reversal of the related difference is used. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

1.12 Employee benefits

Defined benefit plans

The Trust participates in the Local Government Pension Scheme administered by Shetland Islands Council. This scheme provides benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Trust in an independently administered fund.

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Trust's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The fair value of any plan assets is deducted. The Trust determines the net interest expense/(income) on the net defined benefit liability/(asset) for the period by applying the discount rate as determined at the beginning of the annual period to the net defined benefit liability/(asset) taking account of changes arising as a result of contributions and benefit payments.

The discount rate is the yield at the balance sheet date on AA credit rated bonds denominated in the currency of, and having maturity dates approximating to the terms of the Trust's obligations. A valuation is performed annually by a qualified actuary using the projected unit credit method. The Trust recognises net defined benefit plan assets to the extent that it is able to recover the surplus either through reduced contributions in the future or through refunds from the plan.

Notes (continued)

1 Accounting policies (continued)

1.12 Employee benefits (continued)

Defined benefit plans

Changes in the net defined benefit liability arising from employee service rendered during the period, net interest on net defined benefit liability, and the cost of plan introductions, benefit changes, curtailments and settlements during the period are recognised in profit or loss.

Remeasurement of the net defined benefit liability/asset is recognised in other recognised gains and losses in the period in which it occurs.

1.13 Stock

Stocks are valued at the lower of cost and estimated selling price less costs to complete and sell.

1.14 Cash and cash equivalents

Cash, for the purpose of the cash flow statement, comprises cash in hand and deposits repayable on demand, less overdrafts payable on demand.

Liquid resources are current asset investments which are disposable without curtailing or disrupting the business and are either readily convertible into known amounts of cash at or close to their carrying values or traded in an active market. Liquid resources comprise term deposits of less than one year.

2 Cost of activities in furtherance of the charity's objects

Charitable activities

The group's charitable expenditure, which mainly comprises grants payable in respect of the year, is summarised below:

	2023 £000	2022 £000
General funds		
Payments to charitable organisations	11,299	8,920
Schemes	51	52
Charitable grants repaid	(359)	(99)
	<hr/>	<hr/>
Total charitable grants	10,991	8,873
Support costs, including governance costs (below)	586	476
Pension adjustments	99	121
	<hr/>	<hr/>
Total charitable expenditure – general funds	11,676	9,470
	<hr/>	<hr/>
Expendable endowment		
Depreciation	-	75
	<hr/>	<hr/>
Total resources expended on charitable activities	11,676	9,545
	<hr/> <hr/>	<hr/> <hr/>

Further details of the group's charitable expenditure are included in Section 4 of the Trustees' Report.

Support costs

Support costs for the year of £462,643 (2022: £413,000) principally represent administration expenses and are all deemed to be attributable to the group's charitable activities. Included within administration expenses is £336,674 (2022: £289,389) in respect of staff costs (see note 3), of which nil (2022: £nil) was charged to subsidiaries.

Notes (continued)

2 Cost of activities in furtherance of the charity's objects (continued)

Governance costs

Governance costs totalling £126,000 (2022: £63,000) comprise the costs associated with the Trust's compliance with charity regulation and good practice. They include £36,000 (2022: £34,000) representing an appropriate apportionment of salary costs based on the proportion of the Chief Executives time spent on governance, together with Trustees' expenses (note 3), and audit fees (note 2) of £46,026 (2022: £19,476).

	Group and charity	
	Total	Total
	2023	2022
	£000	£000
Allocation of staff and support costs, including Trustees' allowance and expenses (see note 3)	36	34
Other costs	44	10
External auditor's remuneration:		
Audit of these financial statements	46	19
Audit of subsidiary undertakings (excluded from charitable governance costs)	17	16
Other services: taxation in relation to subsidiary undertakings	5	5
Total governance costs	148	84

3 Staff numbers and costs

The group had an average of sixteen employees during the year (2022: thirteen). The aggregate payroll cost of these employees was as follows:

	2023	2022
	£000	£000
Wages and salaries	700	648
Social security costs	74	70
Pension costs	100	76
	874	794

Employee costs totalling nil (2022: £nil) were charged by Shetland Charitable Trust in respect of work performed by its subsidiary companies. Eleven employees worked wholly or mainly on Shetland Heat Energy and Powers Limited's activities during the year. One employee worked part-time on SCT Renewables Limited's activities during the year.

Two employees (2022: one) received emoluments totalling between £90,000 and £99,999.

Retirement benefits are accruing to these members of staff under a defined benefit pension scheme; contributions in 2022/23 totalled £6,532.

Included above are the emoluments paid to key management personnel comprising three employees totalling £256,376 (2022: three employees totalling £237,461) and £32,887 (2022: £29,108) in social security costs and £39,310 (2022: £32,718) in pension contributions. Key management personnel's remuneration is set by reference to the Local Authority salary bands.

Expenses totalling £nil (2022: £nil) were reimbursed or paid on behalf of trustees during the year.

Notes (continued)

4 Tangible fixed assets

At 31 March 2022	23	3,210	1,516	4,749

Land and buildings primarily consist of the site at Sullom Voe, plus the six rural care homes, previously operated by Shetland Welfare Trust, and donated to the Trust in 2007. The rural care homes had been previously funded by the Trust and the capital grant conditions applied to the funding to Shetland Welfare Trust required any building owned by Shetland Welfare Trust to be transferred to the Trust when Shetland Welfare Trust ceased to operate (effectively 1 April 2006). These are specialised buildings in rural locations in Shetland without comparators, which mean that it is not possible to establish a meaningful valuation for them in their present use. The Trustees therefore capitalised them at original cost, in line with the Trust's accounting policy for tangible fixed assets, which they believed to be a reasonable indication of their value at the date they were donated. The buildings continue to be used as care homes, in furtherance of the Trust's charitable objects, and as such are not held for investment purposes.

The net book value of other tangible fixed assets relates to plant and machinery, fixtures and fittings held by Shetland Heat Energy and Power Limited.

Notes (continued)

6 Programme-related investments (continued)

As stated in note 1, these consolidated financial statements include the results of the charity's wholly owned trading subsidiaries, Shetland Heat Energy and Power Limited (SHEAP) and SCT Renewables Limited (SCT R) and also those of Viking Energy Shetland LLP (VES), over which the Trust has a controlling interest of 90%. The trading results of these companies are summarised below:

	2023 SHEAP £000	2023 SCT R £000	2023 VES £000	2023 Total £000	2022 Total £000
Turnover	2,580	-	-	2,580	3,003
Cost of sales	(1,268)	-	-	(1,268)	(1,552)
Gross profit	1,312	-	-	1,312	1,451
Administration expenses	(1,064)	(6)	(16)	(1,086)	(1,234)
Depreciation on investment properties	-	-	-	-	-
Provision made against equity investment	-	(14)	-	(14)	(12)
Operating profit/(loss)	248	(20)	(16)	212	205
Gain on disposal of investment properties	-	-	-	-	-
Interest receivable and similar income	-	-	-	-	-
Profit/(loss) on ordinary activities before taxation	248	(20)	(16)	212	205
Tax on profit/(loss) on ordinary activities	(62)	-	-	(62)	(79)
Profit/(loss) on ordinary activities after taxation being profit/(loss) for the financial year	186	(20)	(16)	150	126
Gift aid payment to Shetland Charitable Trust	-	-	-	-	-
Retained (loss)/profit for the year after Gift Aid payment	186	(20)	(16)	150	126

Consistent with the current guidance, the Directors now consider the Gift Aid payment to be akin to a distribution rather than an expense, and as a result have now presented it outside of the profit and loss account as an adjustment to profit taken to retained earnings.

Notes (continued)

6 Programme-related investments (continued)

The expenditure of the companies, as recorded in the consolidated statement of financial activities, is analysed as follows:

	2023	2022
	Total	Total
	£000	£000
Cost of sales	1,268	1,552

At end of year	-	(307)	(307)

Notes (continued)

The group trading funds balance now represents the accumulated surplus on the Trust's subsidiary company undertakings, while the group and charity general fund balances have been brought into alignment. A transfer has been made to the General Fund from the Endowment Fund to eliminate the non-pension related deficit accumulated on the General Fund.

13 Operating leases

Group

Non-cancellable operating lease rentals are payable as follows:

	2023	2022
	£000	£000
Less than one year	20	17
Between one and five years	72	58
More than five years	197	183
	<hr/> 289 <hr/>	<hr/> 258 <hr/>

During the year £18,016 was recognised as an expense in the consolidated statement of financial activities in respect of operating leases (2022: £16,842).

14 Commitments

Capital commitments

Shetland Heat Energy and Power Limited's contractual commitments to purchase tangible fixed assets at the year-end were Nil (2022: £nil)

15 Subsequent Events

There were no subsequent events post the balance sheet date and prior to the date of signing these accounts that would have a material impact on the results reported or the financial position of the group.

16 Pension scheme

The Trust participates in the Shetland Islands Council Pension Fund which provides benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Trust. The information disclosed below is in respect of the Trust's share of the assets and liabilities throughout the periods shown.

The latest full actuarial valuation was carried out at 31 March 2020 and was updated for FRS 102 purposes to 31 March 2023 by a qualified independent actuary.

	2023	2022
	£000	£000
Net pension liability defined benefit obligation	(3,781)	(5,451)
Fair value of plan assets	3,586	3,693
	<hr/> (195) <hr/>	<hr/> (1,758) <hr/>
Unfunded defined benefit obligations	(112)	(137)
	<hr/> (307) <hr/>	<hr/> (1,895) <hr/>
Net pension liability	(307)	(1,895)

Notes (continued)

16 Pension scheme (continued)

Movements in present value of defined benefit obligation:

	2023	2022
	£000	£000
At 1 April	5,588	5,875
Current service cost	106	115
Interest cost	150	117
Actuarial losses/(gains)	(1,803)	(407)
Contributions by members	19	18
Benefits paid	(167)	(130)
	<hr/>	<hr/>
At 31 March	3,893	5,588
	<hr/> <hr/>	<hr/> <hr/>

Movements in fair value of plan assets:

	2023	2022
	£000	£000
At 1 April	3,693	3,375
Expected return on plan assets	98	67
Actuarial gains/(losses)	(116)	319
Contributions by employer	59	44
Contributions by members	19	18
Benefits paid	(167)	(130)
	<hr/>	<hr/>
At 31 March	3,586	3,693
	<hr/> <hr/>	<hr/> <hr/>

Expenditure recognised in the statement of financial activities:

	2023	2022
	£000	£000
Current service cost	(106)	(115)
Interest cost	(52)	(50)
	<hr/>	<hr/>
Total	(158)	(165)
	<hr/> <hr/>	<hr/> <hr/>

The expenditure is recognised in the following line items in the statement of financial activities:

	2023	2022
	£000	£000
Charitable activities – support costs	(158)	(165)
	<hr/> <hr/>	<hr/> <hr/>

Notes (continued)

16 Pension scheme (continued)

The total amount recognised in the other recognised gains and losses section of the statement of financial activities are as follows:

	2023 £000	2022 £000
Actuarial gains/(losses)	1,803	407
Return on assets attributed to the Charity excluding interest income	(116)	319
	1,687	726

The fair value of the plan assets and the return on those assets were as follows:

	2023 Fair value £000	2022 Fair value £000
Equities	3,084	2,991
Bonds	107	259
Property	359	406
Cash	36	37
	3,586	3,693
Actual return on plan assets	(18)	386

The expected rates of return on plan assets are determined by reference to the historical actual returns on the fund as provided by the administering authority and index returns where necessary.

Principal actuarial assumptions (expressed as weighted averages) at the year end were as follows:

	2023 %	2022 %
Discount rate	4.75	2.70
Future salary increases	3.05	3.20
Inflation / pension increase rate	2.95	3.20

In valuing the liabilities of the pension fund at 31 March 2023, mortality assumptions have been made as indicated below. The assumptions relating to longevity underlying the pension liabilities at the balance sheet date are based on standard actuarial mortality tables and include an allowance for future improvements in longevity. The assumptions are equivalent to expecting a 65-year old to live for a number of years as follows:

Current pensioner aged 65: 20.3 years (male), 22.7 years (female).

Future retiree upon reaching 65: 21.6 years (male), 24.8 years (female).

The Trust expects to contribute approximately £52,000 (2022: £50,000) to its defined benefit plans in the next financial year to 31 March 2024.

Notes *(continued)*

17 Related parties

In the year to 31 March 2023 the SCT Renewables Limited invested £Nil (2022: £Nil) in Viking Energy Shetland LLP in which SCT Renewables Limited is a 90% partner.

In the normal course of business, some of the Trustees are appointed as directors or as Trustees of other organisations and charitable bodies within the Shetland Islands, including those which the Trust may from time to time transact with, either through routine business or in the provision of charitable grants. These relationships are not considered to be related party transactions as in no instance is the level of mutual trustees such as to provide direct or indirect control, or to place the Trustees in a position where they are able to provide influence over the financial and operating policies of the other organisations.

There are no outstanding amounts owed to/by related parties.

18 Accounting estimates and judgements

Key sources of estimation uncertainty

The preparation of the financial statements requires Trustees and directors of the subsidiary companies to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Critical accounting judgements in applying the Company's accounting policies

The Trustees believe that major judgements are applied around depreciation and pension valuation assumptions.

The Trust participates in the Shetland Islands Council Pension Fund which provides benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Trust. In valuing the liabilities of the pension fund and the Trust's share of the scheme assets at 31 March 2023, assumptions have been made. The latest full actuarial valuation was carried out at 31 March 2020 and was updated for FRS 102 purposes to 31 March 2023 by a qualified independent actuary. The assumptions used are consistent with those prescribed for FRS 102.

The directors of Shetland Heat Energy and Power Limited believe that the major judgements applied are around the PPE, depreciation rates and bad debt provision. The company exercises judgement to determine useful lives and residual values of property, plant and equipment. The assets are depreciated down to their residual values over their estimated useful lives. The company exercises judgement in levels of bad debt provisions required based on its knowledge of customers and past experience.
