**1 Did this project make a difference to your group as outlined in your Shetland Arts Fund Grant Application?**

Yes  No

If yes, how do you know? Tell us about the success of your project:

If not, why not? Please explain:

(You should enclose copies of project reports, press articles, evaluations from participants, photographs, etc.)

**2 Please tell us how many people benefited from the grant award:**

**3 With hindsight, is there anything you would have done differently with your project? What do you feel you have learned from the project?**

(We ask this because we are keen for groups to share their project experience; pass on good tips and share information about the best sources for equipment, or how problems were resolved, etc)
